Someone once said the best things come in small packages. We, the Senior Staff, believe this to be true and would like to dedicate this special edition of the Bluebook to a very special lady - Mrs. Margaret Parke.

At a time when schools are cutting back on athletics, she dared to undertake the athletic directorship, becoming the first woman AD in the history of the Illinois High School Association. "I think kids learn so many things from sports - fair play, give and take, self discipline. There is no substitute for sports in teaching these lessons," she has said.

Mrs. Parke, "Eggie" to her friends, lived in Saunemin until she was 16, when her family moved to Pontiac, Ill. She graduated in 1946 from PHS and enrolled at Illinois State University. There she met professors and students who shared her philosophy that strenuous physical activity was not harmful to girls. Her inspirations were Dr. Esther French and Dr. Bernice Frey, instructors in the Health and PE department for women.

After graduation from ISU in 1950, she went to Georgetown where she taught for four years and met her husband, Mr. Juby Parke, a native of Georgetown and coach at Ridgefarm. After the birth of their son Tracy, 21 and a junior at ISU, she planned to quit teaching until he was in school. Because of the teacher shortage in 1955, she taught part-time at Ridgefarm. The Parkes came to Bismarck-Henning in 1965 and Coach Parke soon turned the football fortunes of BHHS around and Mrs. Parke taught girls' PE full time. (Guess who his chief scout was?) Three years ago she began work on her master's and hung up her tennis shoes, to teach classroom English.

No activity is complete without seeing her scurrying around making sure everything is ok. Small in stature, yes, but large in fortitude, definitely. It is with admiration and gratitude we honor this lady who has no pretense or vanity but love and concern for us - the students of BHHS.

is to save every day till eternity

In the fall of 1823 a man by the name of Obadiah LeNeve, after a trip on horseback from Vincennes to St. Louis and northern Missouri, was so impressed with this area he decided to buy land and settle in what we know as Newell Township. With his brother, John, Obadiah returned just before Christmas in 1824 and built a crude hut. They spent the winter mostly splitting rails. Indians, although numerous, frequently visited them; and the brothers built a cabin for a Ben Butterfield before going back south. In 1825 the Butterfields came and were soon followed by Luke Wiles, Joseph Gundy, Andrew Davison, Ambrose Andrews, Joseph Kerr, Edward Morgan, Abraham Henkle, Joseph Hinshaw and James Davison. They built their cabins along the beautiful North Fork River where there was plenty of timber for firewood and rails.

Sickness, such as ague, typhoid fever, milk sickness and congestive chills, caused much misery. Even so, the pioneers were self-efficient, producing their own boots, shoes and harness pieces from leather tanned with bark. Deep snows during the winters of '30 and '31 added to the hardships. Fences were completely buried and teams were driven across fences and fields. Game of all kinds perished. Deer became easy prey to wolves and wild turkeys disappeared altogether.

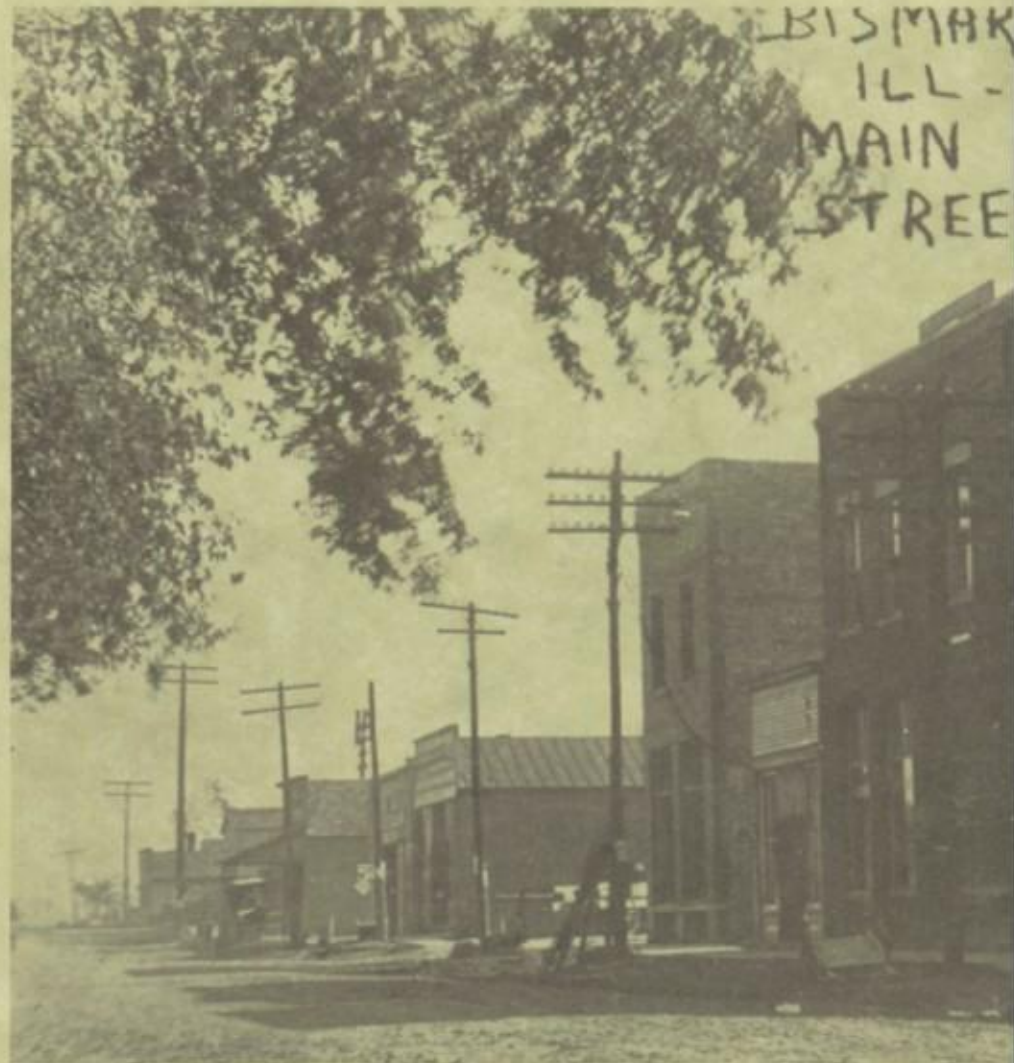

In 1826 Joseph Gundy selected land for a farm on the North Fork at Myersville. He built a cabin and returned to bring his family, including his wife's parents, the Andrew Davisons. Gundy Cemetery, once called Davison and Davison-Gundy Cemetery, is named for them.

In 1838 Peter Chrisman bought a site east of Moore's Corner and built a saw and grist mill. Unfortunately, his son was killed during the building; and he sold the property to a man named Koontz who then employed John and Samuel Myers, millwrights, to complete the work. They arrived in 1840 and soon the little community, called Myers Mills, became Myersville.

Other settlers came to the area and started other businesses. William and Andrew Zeighler built the first store; Columbus Grossen opened the first wagon shop; Dr. John Holloway the first drug store; and Thomas Silvey a blacksmith shop. The town flourished for thirty years and then the railroads came. When the C&I laid tracks one and a half miles east of Myersville, the little city began to decline and Bismarck came into being.

A story passed down through the generations tells of the naming of the town. Suggestions of Youngstown or Youngville were made but were unacceptable. General Otto Von Bismarck, a Prussian statesman who united the German people under the government of one empire, was at the height of his fame; therefore, it was the decision of the railroad company that the town bear his name.

Robert Kerr was the first post master, although the Bismarck Post Office was the fourth in area.

If I could make days last forever

When a man and woman die, as poets sung,

if words could make wishes come true

Newell Township, originally called Richland, was named in honor of Squire James Newell, the first justice of peace who gave the land on which Myersville was built.

Other early settlers came mostly from Ohio and Kentucky and some of their names were Millers, Adams, Martens, Cunninghams, Decks, Lindseys.

Henning at the turn of the century was a land of swamps, "buffalo wallows" and ponds, with the name "eight-mile prairie." Its farms were enclosed with fences of hedge or rails. Roads were untreated dirt, with open ditches alongside to drain off the water. This area was then Ross Township and settlement began in 1852 after the Havana, Rantoul and Eastern Railroad was built. John Putman bought ten acres of land from the railroad for what later became the original town site. All of the buildings of the original settlement are now gone; nothing remains of the early village.

Growth of the town started with the railroad depot, which served as a post office and general store. Later the building was made into a small hotel by Mr. Putman. Other public meeting places were the blacksmith shop and church.

Old timers remember early travel in the rainy season, when farmers would hitch four horses to a wagon and set off for church. The horses' hooves would sink a foot into the muck and pull free with a loud sucking sound. Those who walked took the dry road - the railroad tracks.

The oldest building in Henning today is the Methodist Church, which was built in 1888 (or '94 depending upon your source of information). At that time the town had only four houses, but more homes were built or moved into the town - one street and a boardwalk.

His heart's the last part moves, her last, the tongue

The name for the town supposedly was suggested by a Mr. Gifford of Plano, Illinois, who had persuaded the Havana & Eastern Railroad to come through this area from Rantoul in 1876. Since a depot was to be established, he named it after a friend, Gilbert Dinslow Henning.

Among the first settlers were the Hollowells, Reynards and Putmans. Those who came later were the Thomas Habels, Otto Vogel, Ben Campbell, James Tully, Hersbergers, C. C. White. The town grew and others, Battershell, Johnson, Whistler, Mason, Seymour, Shockley, Lenox, Van Anken, Wilson, Lane, Pape, Ludadno, Cook, Dickson, Watson, Kessley, Cunningham, Wyatt, Wise, Holloway, Goff, Davis, Richart, Fox, Sexton, White, A. Gundy, Wm. Copeland, Willey, Raymond and Beck. (Of the original settlers only Watson, Becks and Johnsons are still farming in area.) Ernest Putman, son of the founder, lived in the home he built in '94 until his death in '61. Another early resident was Miss Kate Mason who just recently died. The late Robert Beck came to Henning in '98 from Jamesburg, Germany, and built a blacksmith shop. His grandson, Warren Beck, still operates the shop and it is the only early business still run by original owners.

"To every child we must give the chance to live, to learn, to love." As a result of this motto, the earliest settlers through self-determination, insisted on compulsory education for all people supported by taxation. The local communities imposed upon themselves the principle of education for all children.

Before the free system schools were supported by private contributions. Only those paid received their benefits. Settlers met at an agreed place, cut down trees and made a puncheon floor and crude fireplace. Indeed it was the cheapest

affair that could be built, and it had no conveniences. The books used were the Old English reader, arithmetic, the American speller and grammar. The seats were slabs of logs on pegs. The universal practice of studying aloud was used and the noise from the school house was heard far from the school, as the lad who could make the most noise was supposed to learn the most.

The first school in Newell Township was built in 1827 near the West Newell Elevator.

The first school in Bismarck came in 1850. Located across the street south from Grade School, it was called the Subscription, because students had to pay to go. Not used after 1879 because a bond issue had passed, it was sold to Al Phillips who made a home and store out of it. He sold penny candy, pencils and slates to the children for years.

On land donated by Noah Young, the new two room school was built where the Grade School now stands. Four subjects were taught and there were two teachers - one for upper grades and one for the first four grades.

In 1874 Grange Hall was opened. The school was on the lower floor and a Star Grange meeting place was on the upper floor. The Grange was instituted for agricultural population combining education on newest farming operations and social diversion. (This is similar to our Farm Bureau.)

In November, 1910, the Bismarck school burned because of a defective furnace. Loss was between \$3,000 and \$4,000 and school was held the rest of the year above Ossie Chrisman's store.

Brown Brothers built the new school in 1911. The first floor only was used. A small kitchen in the basement was used for the seventh and eighth cooking class and the sewing class met in a small teacher's lounge.

will catch more flies than gallons of vinegar

I've looked around enough to know that

Up until about 1911 many pupils took the seventh and eighth grade more than once and the early teachers would help with some higher education so that they too could teach. A few representative citizens of Bismarck desired to make conditions better and resolved to find a high school where all young people would be able to go, no matter how poor their early means for schoolings had been. Their efforts met with some opposition. Some farmers were afraid taxes would be too high and many felt that John or Mary did not need more education than their parents. After much work and superior tact the township high school was established as a permanent institution and had remained a fine school all these years.

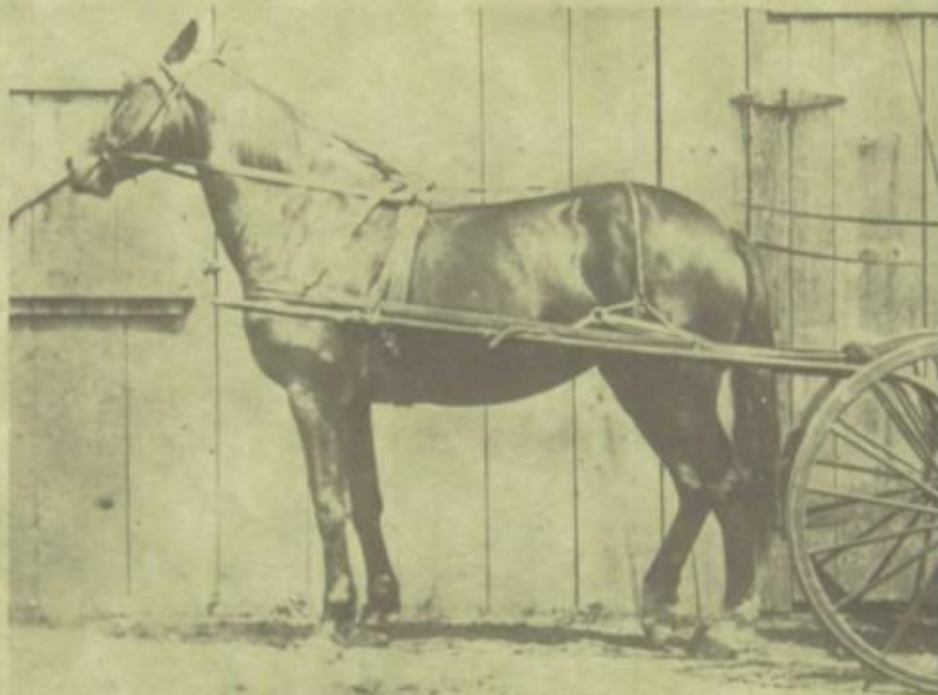

The first Board of Education was Mr. James Young, president; Mr. D. L. Ogden, clerk; Mr. Allen Wood; Mr. Edward Chenoweth; Mr. O. L. Cunningham; Mr. George French; and Mr. R. L. Wood. The first classes were held in 1913 in the upper two rooms of the grade school. The first class graduated in 1915 - Mr. Lester R. Moore and Mrs. Helen (Moore) Gaumer. Since 1915 there has been a graduating class. The smallest class in 1918 - Mrs. Lucille (Cunningham) Smith - was due to the fact that several boys in the class had gone to war.

In 1916 the board decided to move the school to a separate house. They signed a lease for three years with "Harris Philpot's Knowledge Box." The teaching staff consisted of three teachers. The principals were William Thompson, 1917-18, and George L. Reid, 1918-19. In 1918 the board rented Starr's Hall, the second floor of what is now Ossie Chrisman's store, for the sum of \$130 per term. This hall was used for basketball and recreation.

that had never come true

On February 18, 1919, an election was held to decide: (1) whether to buy a high school site, (2) vote on building a high school, (3) vote on the issue of bonds amounting to \$20,000 at 6% interest, to be paid in ten payments, (4) to decide on a site. The first three issues carried and Hornor's site was selected.

The board of 1919 was S. W. Claypool, president; F. M. Hornor, clerk; E. L. Chenoweth; W. W. Hagley; E. A. Wood; and James Kiser. Brown Brothers was awarded the contract for the sum of \$24,235 and Carson and Payson received \$5,871 for the heating and plumbing. This new building included a gym, a portion of which is under Mrs. Eells's room. The first principal in the new school was Harry Orr, 1919-20. A two-acre plot was purchased in 1919 for \$400 per acre. Brown Brothers built a barn for the high school that year for the pupils' buggies and horses. This was later converted into a garage for the school buses. In 1920 a cyclone tore about a third of the roof off the main building.

In 1929 a \$40,000 bond issue was sold to build a new gym. The principal was A. R. Matheny, 1920-32. Other principals included Dale Parkerson, 1932-33; R. J. Milier, 1933-37; Adolph J. Eicken, 1937-52; Clayton Fawkes, 1952-55; Andrew Jackson, 1955-62; and Loyd H. Champion, 1962 to present.

In 1930 the new gym was dedicated, and now there was seating capacity for 500 fans and a stage at the south end to be used for plays and other productions. The old gym in the main buildings was converted into three classrooms with expanded facilities for teaching foods, science and agriculture.

Henning became incorporated in 1910 and Charles Mason was elected the first mayor. He decided the first job was to improve the streets, which were made of corn cobs. Henning High School was one of the first in the county. When it started in 1914, its seven freshmen and one sophomore met in the basement of the grade school building. That class, graduating in 1918, consisted of Bernice Wyman Perry, Mae Lenox King and James Corbett. This first class was taught in the same room by R. G. Brown. In 1918 the school moved across the street from what is now Art Beck's. The assembly room was a

long room on the second floor with south and east windows. Adjoining this room was the gymnasium, a room where thirty to forty fans could cheer the team on the other side of a protective chicken wire. Showers afterwards were tubs of hot water. In spite of many handicaps, a basketball team was organized of a caliber which won a trophy at the County Tournament. Attendance was hampered by a flu epidemic. One of the students, Inez Hable, succumbed to the disease. Four students graduated in 1919 - Frank Hoskins, Amanda Bennett, Walter Simmons and Frances Corbett. In 1920 only three graduated - LeFay Brown, Harold Hollowell and Marie Krown. There was no commencement in 1921 because the only senior enrolled dropped out and there also was no basketball team.

Erection began in the summer of 1921 for the new high school and in early February 1922, equipment and books were moved in. In the County Tournament, the team won a silver trophy and the first Junior and Senior plays were presented.

In 1923 the basketball team won every game of the season and first place in the County Tournament, although the trophy was awarded to the second place winner. The annual Class Night Program was started and the Alumni Association was organized in the spring.

Principals for the Henning High School were the following men: 1918, C. H. Cronkhite; 1920, P. H. Miller; 1923, R. H. Poland; 1924, Randall Inman; 1927, C. A. Rumble; 1938, L. H. Mumm; and 1941, Clayton Wilcox. He became principal in April of the year, because Mr. Mumm had gone to the Army and he remained principal until the school consolidated.

The next thirty years saw the additions of new courses and many extracurricular activities that endeared the school in the hearts of its many graduates. In March, 1963, an election was held, the proposal to form a unit district of Bismarck, Henning, Alvin and Rossville schools; it was defeated. The Henning and Bismarck schools decided to merge anyway and in October, 1963, the Board of Education voted that the high school be closed in June, 1964. Thus consolidation of the two schools came to pass.

Homecoming — Spirit of 76

Homecoming 1975 at BHHS turned out to be an exciting and rewarding success. The theme, "Spirit of '76," was based on events that occurred during the revolutionary time of 1776.

Spirit week began with "Sock 'em Day." The hall decorating contest, which began on Monday, was won by the seniors. Tuesday all Devil fans showed their winning spirit by wearing their baggiest overalls. The first annual frisbee contest was held. The school champions were Coach Woods and Coach Johnson. Thursday the annual Powder Puff football game between junior and senior girls was held with the game ending in a 0-0 tie. A funeral procession, including all the student body, marched through the halls. That night at the bonfire, a casket with a dead Bobcat was burned. The spirit was raised by pep talks from Coach Johnson and the senior players.

Friday started cloudy and rainy, but by parade time the sky had cleared. Before the parade the Speech Drama Club put on skits for the assembly and the crowning of the Homecoming Queen took place with Kevin Bodine as master of ceremonies. The parade itself was one of the biggest parades in recent years and a total success.

The dance was not hampered by the results of the game and everyone enjoyed the music of the Oasis. The coronation was impressive with the 74 Queen, Brenda Claypool, crowning the 75 Queen, Brenda Hutchison.

The entire Homecoming week was one of great joy and excitement, and it leaves many fond memories for all.

After long preparation, the junior class finally held Sadie Hawkins. The gym was filled with the music from "Whitfield." Marryin' Sam was Steve Baldwin and his assistant, Myrtle May, was Karen Arthion. The awards for the biggest, most original, and prettiest bows went to Janice White, prettiest; Maurina Hayworth, most original; and Nancy Curley, biggest.

Here we are in 1976, celebrating our nation's Bicentennial Year and the music departments just having finished fifty golden years in music. As usual music has played an important part in the school year. The year began with the marching band presenting a pre-game show at the home football games. The band played a variety of music and placed 3rd at the Vermilion County Marching Band Festival. The mixed chorus started their year off by traveling to two area schools and presenting a variety music concert. On December 5 the concert season began with the concert band preparing music for the instrumental Christmas program. The twirlers and other specials were also involved in the program. The mixed chorus presented their Christmas vocal concert on December 14. The chorus also gave a Christmas program to the Friendly Teenagers of Bismarck. On January 31, forty-two students played and sang in the Vermilion County Band and Choir Festival at Catlin. The guest conductor for the band was Mr. John O'Connor and the choral instructor was Mr. Joe Grant. All of the students attending learned much from this musical experience. The concert band and pep band entertained at several home basketball games. Two new music groups were formed this year. The stage band performed at the FFA Sectional Banquet, at the Principals' Banquet and at the spring play. A select choral group sang at the Principals' Banquet and at the Music Honors Night, and accompanied the band on tour in April. On May 13 the band and chorus presented their annual Spring Concert in the Wilcox Gym. The band played some selections that they had taken on tour, and the chorus presented a wide variety of songs. Members of the senior class in chorus sang for graduation and the band closed out the year with the familiar "Pomp and Circumstance" as the senior class bid BHHS farewell. This being our Bicentennial Year we must recognize the accomplishment of the past as well as the present. The music department was first started in 1925 by a home ec teacher, named Ruth Hubbard. She held rehearsals for eleven girls who formed the first girls chorus at what was then called Bismarck Township High School. In 1928, Evelyn L. Stephens, from Potomac, began as a part time teacher and was instrumental in starting the first orchestra and presented the first operettas at Bismarck.

In 1930 the girls chorus received a first place rating in state music competition. In 1931 Neva Fortner came to Bismarck to teach and in 1934 the music department was presented a special cup for having the highest total points at the state music contest.

In 1935 Harold H. Wicks was hired as a music instructor. In 1936, under the direction of Lela Cambach, George Nesbitt and Ruby Smith starred in a school musical, CHONITA. Wolfgang Kuhn followed as music teacher in 1937 and in 1938 the music students under the direction of Louise Utterback sang on W.D.A.N. radio for its opening broadcast on October 31. The music students also went to Westville that year for county festival and also presented the musical, H. M. PINAFORE.

In 1940 and '41 Roberta Strong was the music teacher and she was followed in '42 and '43 by Elsie Schroeder.

Wendell J. Niswonger came to Bismarck in 1944 and taught for three years. During those years, weekly assemblies were held for the student body with different students presenting musical selections. Jerry Van Dyke was one of these students.

In 1947, Harriett Shores was hired as music instructor. Ninety-seven students were involved in the choruses and the students witnessed their first Musical Vesper Service at Christmas. The following year the students presented a minstrel for the Christmas Pageant which dealt with Christmas in other lands. Dorothy Sanders and Patty Swick were the first twirlers at Bismarck High School.

In 1949, because of a teacher shortage, a music teacher could not be obtained until second semester when two students, James Loomis and William Brown, from Wesleyan University were hired to give lessons to the thirty-three band members.

In 1950 a young teacher by the name of Jane Pichon was hired. Miss Pichon became Mrs. Sam Kutch in '51 and in the five years that Mrs. Kutch was at Bismarck many accomplishments were seen. Students sold hotdogs and softdrinks at noon to buy new school instruments, the band won first at district music contest consistently and received their first state blue ribbon in 1953. In '51 the first uniforms were purchased for the band. Annual Christmas and Spring Concerts and parades came into existence as well as appearances at the basketball games by the band. The band saw their first band banquet, first band awards, and first band handbook during the years Mrs. Kutch was here. After the death of Mr. Kutch, Mrs. Kutch later married Mr. Willard Walthall and returned in 1958 to be instructor of the grade school and junior high instrumental program.

Mrs. Laura Harris became music director in 1955 and the band and chorus moved into their new music quarters which were the recently remodeled Ag Shop. Under Mrs. Harris, the band won the Governor's Trophy at the V. A. Hospital Annual Vets Parade in 1955 and '56. In 1957 the band added to their marching the Sweet Corn Festival in Hoopeston. Mrs. Harris also started the jug and flute band and started the annual John P. Sousa award.

Miss Delores Budde came to Bismarck in the fall of 1958 and just in time to move into the new music room (now the high school library).

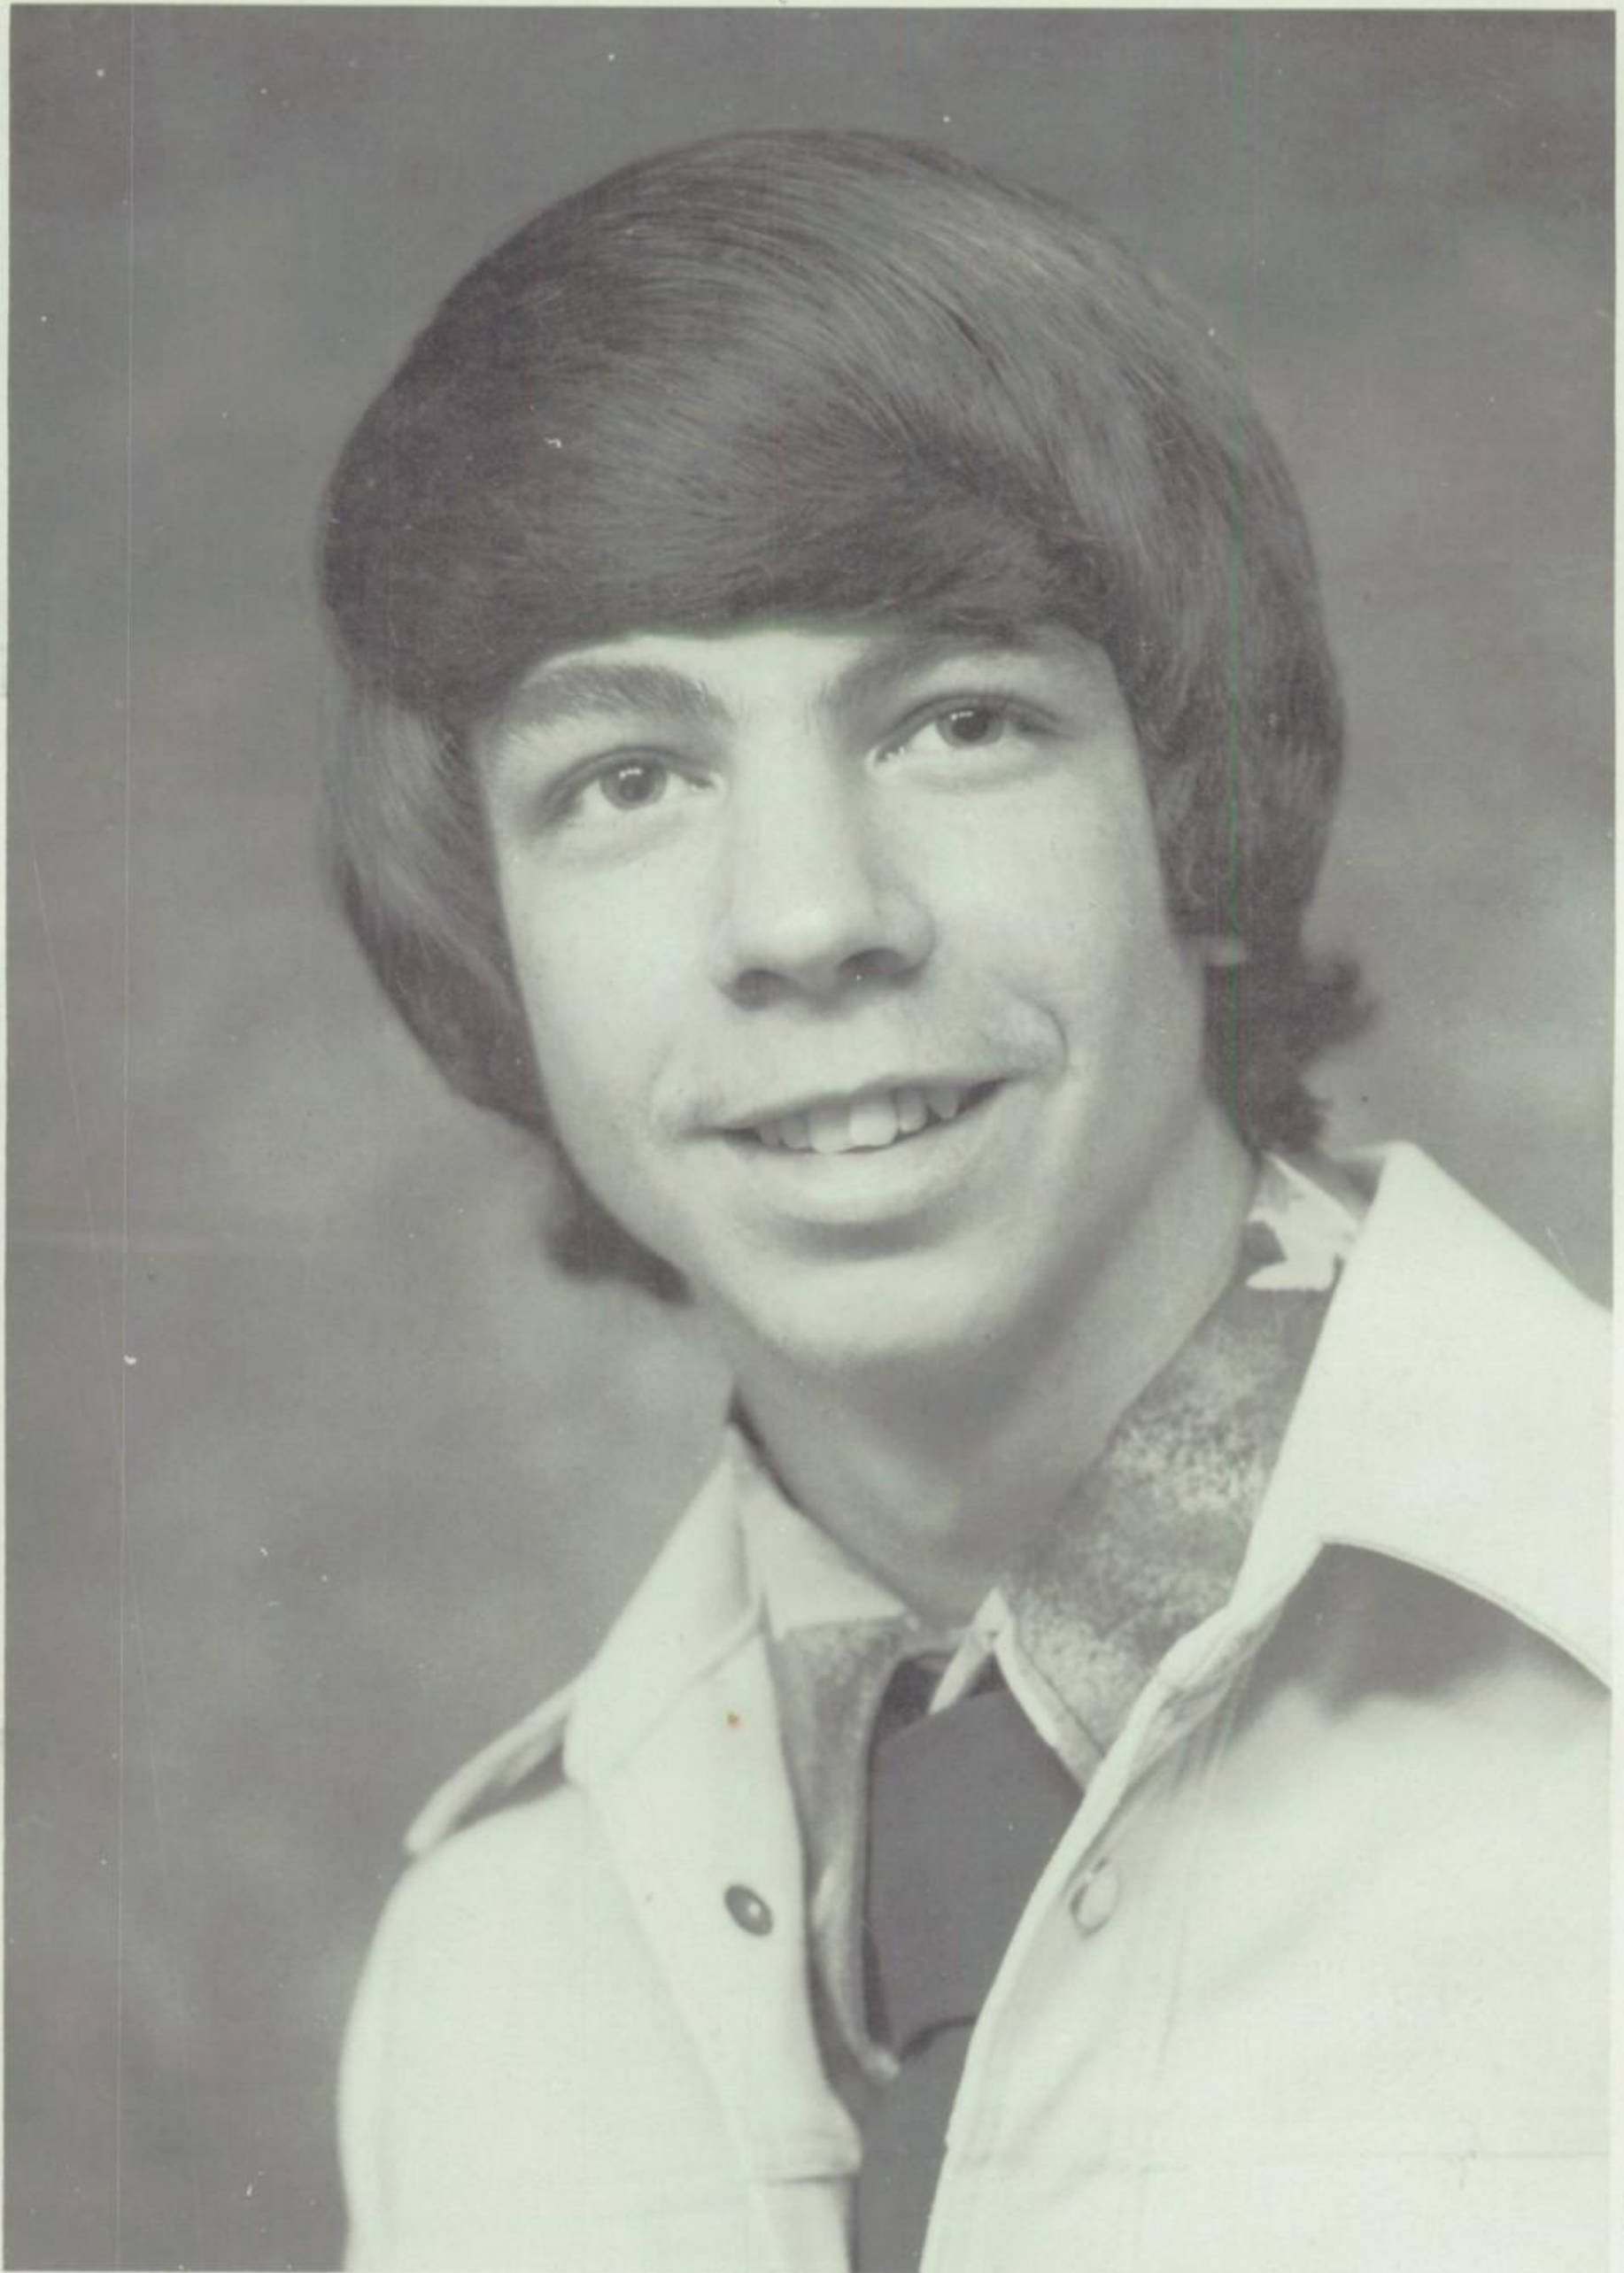

James R. Ping, a former Bismarck student under Mrs. Jane Kutch, came back to teach music in 1959. The music department became a 49 member girls chorus, 32 member boys glee club, and a 90 voice mixed chorus. The band members numbered 49 and a stage band was formed called "The Top Hats". The band raised money with a chili supper, fish fry, and marched at Normal University Homecoming winning first place in their division and marched in a parade at Potomac called "Old Settler's Parade." The band presented marching shows at the home basketball games. The annual Christmas and Spring Concerts were held and have continued to the present. In 1961 the band presented their first football marching show. Gene Edgington became the school's first drum major and was followed by Duane Thompson and Caryl Hall in '62 and '63 respectively. The band played for and met Vice-President Nixon at the Wabash Station in Danville during a campaign trip. The music department, with help from the local clubs purchased a new electric organ and the Music Appreciation Class was added to the schedule. Nineteen sixty-four saw the school's first pep band. In 1965 the Hall of Fame Award was started and the band raised \$2500 which was matched by the board to buy the marching band 70 new marching uniforms. In 1968 the band grew to 90 members, and a new select vocal group was started, called the Staccotos and the Jr. Woman's Club purchased blazers for the group. In '68 and '69 the music department sponsored Sweetheart dances and the first recitals were started for vocal, organ, and piano students. In 1970 the first Snow Ball Dance was held and the music students presented the musical "Plenty of Money" starring Terri Berglund and featured the stage band. In 1971 a new organ and grand piano were added to the music department and they produced their first Broadway Musical, "Hello Dolly" starring Elaine Hawkins, Gary Beck, Terri Berglund, Debbie Horton, Duane Flexser, and Stuart Smith. In the fall the band and chorus moved into the music facilities and the band played for a special dedication service for all the facilities which had been painted by community volunteers.

In 1974 every event taken to contest that year received a first place rating. In 1975 the Christmas Concert was held on two nights because of the growing crowds of preceding years. The school's second Broadway Musical, "Oklahoma" starring Brad Smith, Mary Fairchild, Larry Hall, Carol Goodner, Casey Smothers, Ken Phillips and Brenda Claypool, was held in the spring. The first music honors night was held to honor the seniors and the 40 students who won first place ribbons at state contest. Mr. Ping was also honored for his 16 years teaching at Bismarck-Henning High School.

Hall of Fame students since the starting of the award in 1965 have been: '65, Spencer Gore; '66, James Smith; '67, Caryl Hall; '68, Debbie Smith; '69, Sally Cunningham; '70, Sue Hall; '71, Laura Horton; '72, Ann Starr; '73, Debbie Horton; '74, Cindy Gore; '75, Casey Smothers; and '76, Tim Feezor.

On Saturday, May 1st, the Junior class presented an evening of enjoyment for all at the Junior-Senior Prom. The evening was centered around the theme of "The Way We Were".

The banquet was at the Harrison Park Club House in Danville. Janice White welcomed everyone and Julie Drennan read the Class Wills for the Seniors of '76', Sue Huckstadt read the Class Prophecies.

All then returned to the Wilcox Gymnasium for our dance to the music of the Jim Hutton Combo. There was cake and punch for everyone and a lovely atmosphere. There was a beautiful walkway, candles, flowers, and a fountain to decorate the plantation house scene.

It was a lovely evening that will not be soon forgotten by all those who enjoyed it. A special thanks to all the Juniors who put much hard work into the makings of this lovely Prom.

We started our football season a little differently this year, but it was still nothing but hard work. Our calls were different, and our backfield was different. A lot of small things were done differently to get us off the losing streak and back on the winning streak. We had a lot of returning lettermen. Eight were seniors.

- h. What's so exciting you guys?
- i. Here, take this.

Our first game was with Seeger, and we thought we were ready as we could be. Our defense was very tough in that game, holding them to only eight points. Our only problem was that we couldn't get our offense moving. We did not score in that game, and we were beaten 8-0.

After a fairly rugged week of practice, we were ready to try again. We walked onto football field with a lot of pride and we played great. Todd Spezia, our junior quarterback, made a touchdown, and Tom Creek, our sophomore tailback, made another. We won that game 12-0. Everyone was very happy because we had finally broken our losing streak.

Our next game was Homecoming. Everyone worked very hard that week at practice. When Friday came, all the football players were up for the game. It had been three years since we had beaten our arch rivals, and we were ready to win when game time came. However, before we had really realized it, the game had started and they were ahead 6-0, then 12-0, and so on until the final score of 32-0. We made too many mental mistakes so we were beaten. The loss hurt, but everyone tried to put it out of their mind and tried to concentrate on the next game.

We walked on the Jamaica field ready for another win, but we just couldn't get it together. We lost by the score of 34-16.

Catlin, our next opponent, had a great team this year, so Coach made up some new plays on offense and on defense to help us. We all played very hard, but we lost by a score of 41-6.

Our next game happened to be with Ridgefarm. We played very tough offense in that game. Our defense wasn't as great as it had been, but it almost held them scoreless. It was a great game and we won 24-7.

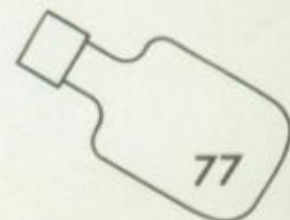

The night we played Oakwood we just couldn't seem to get ourselves together. A couple of costly fumbles and a strong wind hurt us and we lost the game 33-8.

The game against ABL was going to be the Seniors last football game at BHHS, so we were going to give all we could to end with a win. We went into this game real tough, and at the end of the first quarter we were still in the game. When the second quarter started everything just kind of fell through. We tried to come back, but the game ended with a score of 42-14.

The senior football players would like to thank all who helped and supported us this year, with a special thanks to our coaches and the rest of the team. Good luck next year.

Memory Lane

Football began in fall of 1961 with Coach Leon Carrico and assistant coach Robert Schnarr. Larry Brethorst coached from 63-65 with Jack Haines, Allen Runner and Jim Richards helping. Football was at a low ebb, having never won a game, until Juby Parke came in 1965 and served until his untimely death in 1971. Coach Parke had the ability, personality and the love of his players. He had a winning team every year he was here. He will be long remembered. In 1968 our football team outscored their opponents 230-48. In 1972 Tom Johnson with assistants Gary Tucker, Ron Winkler and John Skinner had our first undefeated season. In fact this team during their career won 23 and lost but one.

Conference Champions — 1975

a. FIRST ROW, L. to R. - J. Broderick, R. Reed, T. Feezor, K. Edwards, V. Alcorn, B. Jankowski, D. Meade, T. Neal, J. Grubb. SECOND ROW, L. to R. - Coach Robbins, R. York, W. Siddens, K. Carlton, K. Tucker, D. Cunningham, D. Ingram, K. Bodine, T. French.

When the 1975 season started, we didn't know quite what to expect, but we knew this year we would only get what we worked hard for. Our first meet was between Oakwood and Westville, and we started the season off nicely by beating both teams handily.

Next was our first big test of the year, the Paxton Invitational. We surprised ourselves with a 4th place finish among 20 teams.

Our own Bismarck Invitational was next on the schedule. It is the only meet we have that has both a freshman-sophomore race and a varsity race. In the freshman-sophomore race our underclassmen took 2nd, finishing just 5 points behind a strong St. Anne team. In the varsity race we didn't do as well as we wanted. We took 5th place.

The St. Joe Classic was next on our schedule. This is the largest meet we have. We finished 11th, missing a trophy by one place.

The next two meets we stomped Shiloh 15-50, and beat Westville 23-36. As far as we are concerned, winning the East Central conference would make the season. Chrisman had won it the past two years and were the team we had to beat this year. It was really close, but we ended up with 53 points while Chrisman had 56. This was the first conference championship by a Blue Devil team ever.

The rest of the season we didn't do very well. We had a let down after winning the conference.

In our next two duals we did not fare very well. We beat Gilman, but lost to Watseka. Georgetown and Hoopston were the other teams to beat us.

District time was next, and we captured 7th place. For a warm up to the county, we easily defeated Oakwood 18-41. This gave us a dual record of 13-4 for the season.

- c. TIM FEEZOR - Tim, being a Senior, started the year with the good attitude of setting high standards for himself and the team. The season was by far his best. With his leadership, as captain, he led the team to one of his long time goals, the ECC.
- d. KEVIN EDWARDS - Kevin has another year to accomplish all of his goals. I hope that with his leadership of being the 1976 captain will inspire him to lead his team to more and greater goals. After evaluating the season, it was one of the best ever by a Blue Devil team. We were Conference Champs and had a 13-4 dual record. Tim Feezor was named Most Valuable Runner and Kevin Edwards was elected captain of next year's team. - Kevin Edwards.

Basketball '76

In our first game of the season, we travelled to Rankin and dropped a 62-55 decision. We won our first home game against a fine Seeger team by a 65-63 score.

After losing to a fine Oakwood team, we returned home to win a hard fought Vermilion County and East Central Conference tilt over Rossville by a 65-64 margin. Following our win over Rossville, we dropped six straight contests before edging Sheldon 57-55 in a thriller. Improved team play was the difference in our victory.

We had hoped that the Sheldon win would help turn our season around, but such was not the case. We lost our next two games to Jamaica and Shiloh, before reaching the low point of our season in a disappointing loss to Rossville in the County Tournament.

Determined to prove that we were better than we had been playing, we worked harder than ever in preparation for the second half of our season. Our first game after the County Tournament was a gainst an excellent Armstrong team. We played our best overall game of the year before losing a 67-65 heartbreaker. Although we lost our next game to a fine Chrisman team, we continued our improved team play.

We won our fourth game of the year by a 54-50 margin over ABL.

Although we played consistently well, we dropped our final four regular season games. Injuries and sickness depleted our team and caused us some depth problems. We felt we could have won these games if we had been at full strength.

We concluded our season with a Regional Tournament battle against Danville Schlarman. Although we were heavy underdogs, we played well as a team and received great support from our fans. Even though we lost a tough 57-54 decision, we were proud that we had played well. Although our season was disappointing from a record standpoint, we were happy that we had improved as the season progressed and we had played consistently better during the second half of the season. We hope that the experience gained by our younger players will help lead us to several exciting years of winning basketball.

a.

a. RANDY ELLIS - MOST VALUABLE PLAYER - CO-CAPTAIN

Randy helped provide the leadership necessary to any team. A two year starter, he was our leading rebounder and also selected Special Mention All Conference.

b. DOUG CUNNINGHAM - Co-CAPTAIN

A three year performer for us, Doug led our team in scoring this year and was the key to the inside phase of our offense. He was selected Special Mention All Conference.

c. DAVID INGRAM

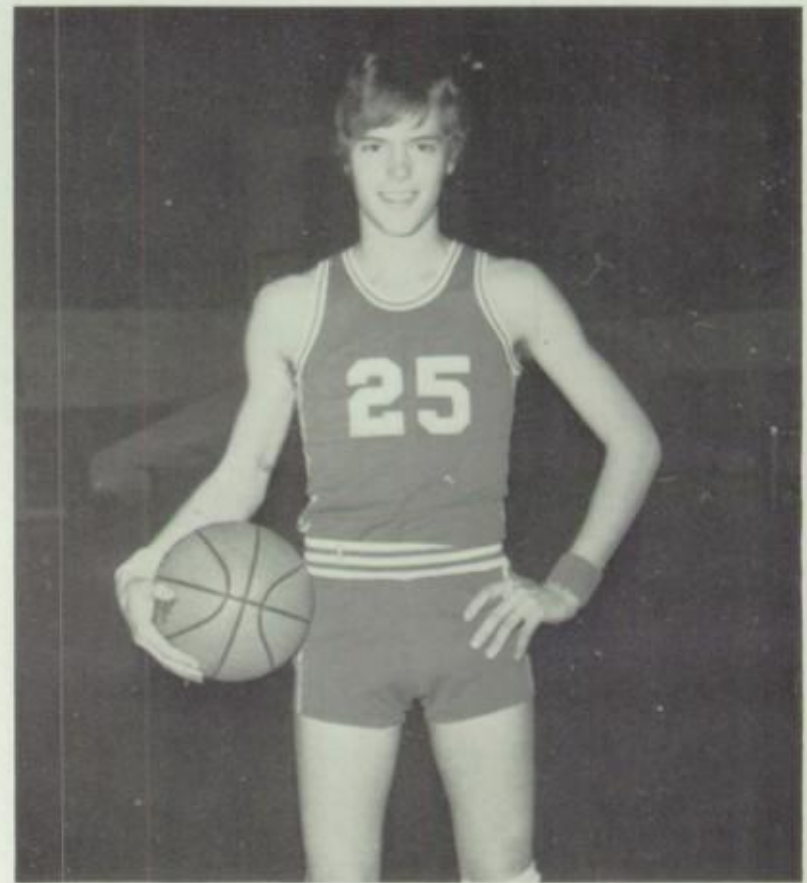

David proved that hard work is often the key to attaining one's goals in life. His determination to succeed was instrumental in his progressing throughout his high school career to the role of starter as a senior. Utilizing his quickness and hustle, he provided us with a player capable of playing a variety of positions. He was our leading free throw percentage shooter.

d. KEVIN BODINE

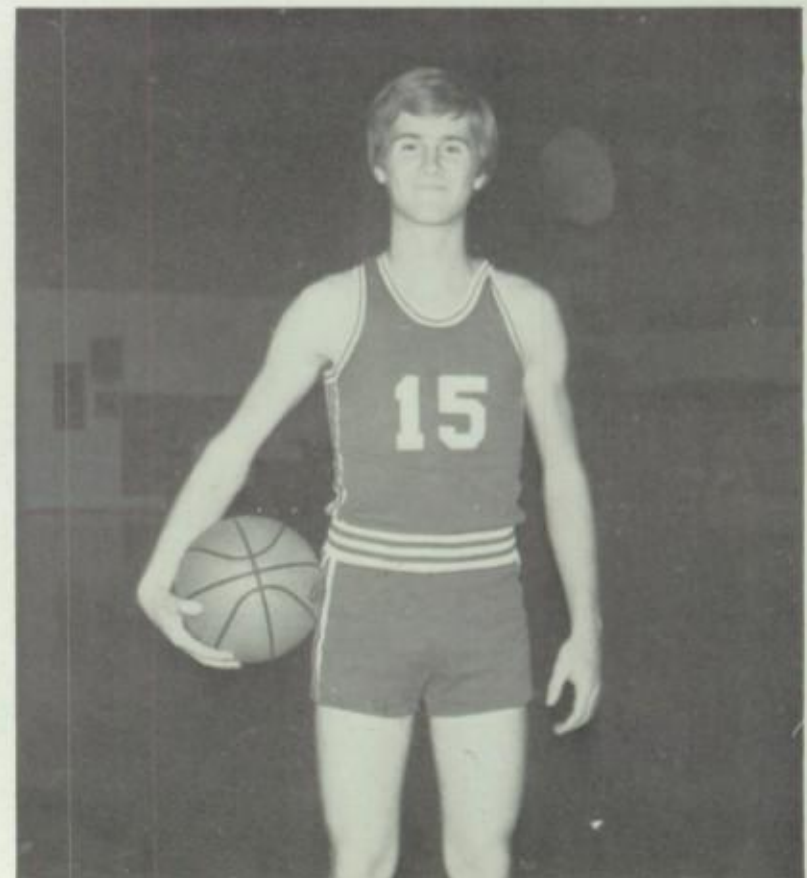

Our best defensive player, Kevin worked hard throughout his four years. He led our team in recoveries because of his ability to work hard and draw the charging fouls. His outside shooting was important to our zone offense. Hustle and determination helped mold him as a player.

Junior-Varsity — 76

In our season opening, we lost to Rankin. Our first win was over Seeger. After our worst game of the season in a loss to Oakwood, we came back to win our next four games. Our record after the Christmas break was 6-5. Our best games were against Jamaica, ABL, and Potomac. Hustling defense, balanced scoring, fast-breaking when possible, working hard to improve, and having fun were all characteristics of the successful 75-76 JV team.

Freshmen — 76

The 1975-76 freshman basketball team closed out a highly successful season with an 8-1 record against freshman competition. The season was highlighted by a come-from-behind nine point victory over Danville Schlarmann. The young Blue Devils showed a great deal of ability in handling most situations with competence and poise. The future appears to be bright for basketball at Bismarck-Henning.

Wrestling season rolled around again and it looked as if we would have a real tough team. Our first meet was with Covington. This was the first year that we had ever wrestled them so we didn't know what kind of team they had. We went to Covington and started our season with a victory of 53-7. Next was a triangular at Hoopeston against Clifton Central. We really got things together and beat them 47-14. Bement was next, we won 54-9. Our first county meet was against Hoopeston. We knew they weren't going to be a push-over, but we defeated them 29-14. Our next county meet was with Oakwood. We won with a score of 59-6. Catlin looked really bad this year, but we beat them 53-6. We wrestled Mahomet the very next night. It was rather hard on us, but we defeated them 43-10.

Our toughest meet was against Georgetown. We came out on top with a score of 29-17. Next was a double dual at Gibson City against Gibson City and Eureka. Eureka was the first to fall to defeat by a score of 35-14. Gibson City was next and we beat them 42-18. Next was our last county meet which was against Westville. We defeated them 39-19. Ranroul was our next and last dual of the season. We were defeated 27-22. We were 13-1 over-all and all-county. J.V. was 8-4. We won at the District with a score of 132 points. Anderson got a first and Brodrick got a second at Sectional and went on to State. Brodrick was beaten in the first round. Anderson went on to finish second at State. All six of the senior wrestlers really hate to go, but we would like to wish next year's team the best of luck.

This school year of 1975-76 brought approximately 46 people to the Bismarck-Henning rifle club. We are a branch of the National Rifle Association and "all" members earn awards for the advancement of their skills.

This year 18 of the top shooters in the club were shooting as a team. Our record was not the best, but we did learn the value of concentration and competition. We weren't able to compete in the state finals because of a date mix-up, but we did have one match at the University of Illinois against their ROTC team.

The recipient of the Club Champion Award this year was David Winkler. He had a point total of 1823 out of 2000.

On Nov. 13, the BHHS Volleyball team played against Westville. The J.V. won in a three-game decision, 20-10, 15-20, and 20-14. It only took the varsity two games to beat the Tigers with scores of 20-11, and 20-6.

The next game on Nov. 17, was against Cissna Park. The J.V. won 20-16 and 10-11. The varsity was also victorious with scores of 20-5 and 20-15.

The Nov. 24 game was against Westville again. Both the J.V. and Varsity won. The J.V. scores were 20-3 and 20-18. The varsity scores were 20-5 and 20-17.

On Dec. 4 the Devils played Armstrong. The J.V. won 20-6 and 20-13. The varsity also won 20-4 and 20-18.

The next game, Dec. 8, the varsity lost their first match in a three-game decision, 20-16, 17-20, and 13-20. The J.V. won, however, with scores of 20-14, and 20-8.

Dec. 13, the team traveled to Hoopeston for the Hoopeston Varsity Tournament. In the first match the Devils beat Paxton 15-5, and 15-4. The team, however, lost to Gibson City in the second match with scores of 13-15 and 11-15.

The Dec. 15 game was against Hoopeston. It took both the J.V. and the varsity three games to defeat the Cornjerkers. The J.V. scores were 20-15, 10-20 and 19-12. The varsity scores were 16-20, 20-15, and 20-13. In the District Tournament, the Devils lost their first game against Homer with scores of 20-18, and 20-8.

The BHHS varsity ended the season with a record of 6 wins and 3 losses. The J.V. squad had a record of 6 wins and no losses.

Girls Basketball

The 1976 girls basketball team opened their season on Feb. 16 with a victory over Hoopston, 55-28. The next contest was with Westville. The Devils won handily with a score of 50-38. The Catlin Wolverines fell to the Blue Devils on March 4 with a score of 58-44. Armstrong came to Bismarck on March 8, sure of an easy victory. They were disappointed because the Devils defeated them 47-34. The mighty Blue Devils suffered their first defeat when Chrisman beat them 36-59. The Jamaica varsity also defeated the Devils 36-43. On March 18 the Devils lost a very close game to the Oakwood Comets by a score of 38-39.

Girls Track

a.

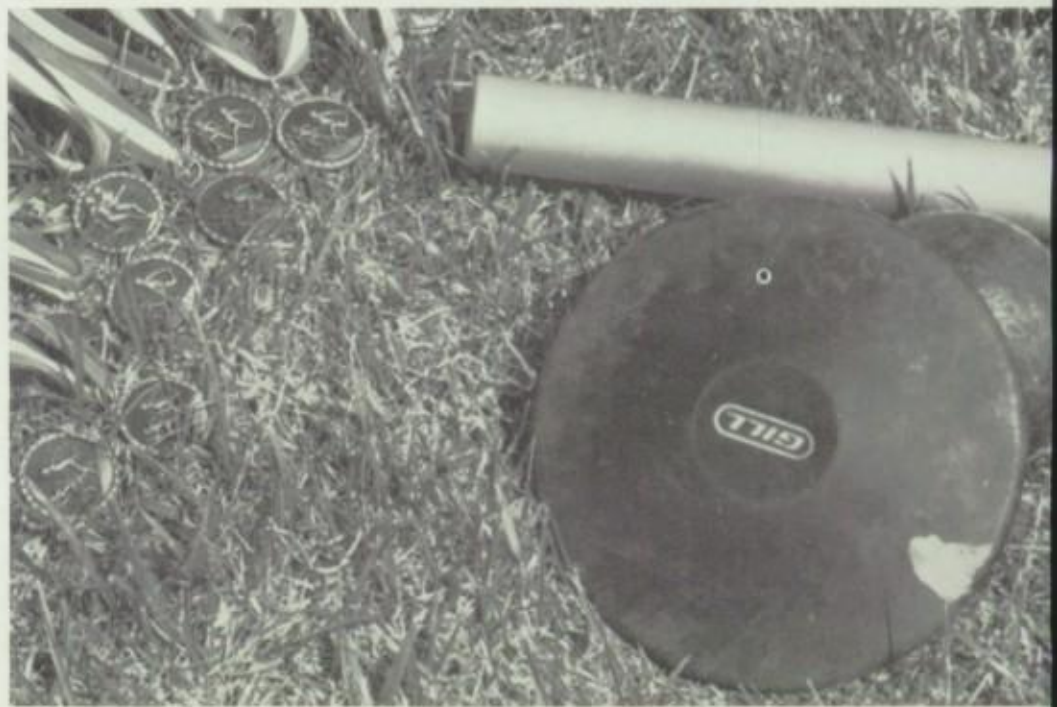

The season opener for the 1976 Girl's Track and Field team was a meet at Bismarck against Oakwood. The Comets were defeated after a close race by a score of 62-57. The first place winners for Bismarck were Debbie Ashby in shot put, the 440 yd. relay team (Tisha Deck, Debbie Ashby, Janice White, and Carol Golden), Vickie Gustafson in the 880 yd. run, Kathy Clark in the 440 yd. dash, Connie Goodner in the mile, and the mile relay team (Margie Michaels, Karen Arthion, Vicki Gustafson, and Kathy Clark).

The Devils' next contest was at Rossville against Rossville and Westville. The first place winners were Ashby in the discus, Clark in the 100 and 440 yd. dashes, and the 880 yd. relay (Jennifer Smith, Roni Jankowski, Connie Goodner, and Cyndi Seaton). Other places were Debbie Redman, third in discus; Darlene Brown, fourth in long jump; Gustafson second in 880 yd. run; Arthion, second in 440 yd. dash; Ashby, second in shot put; Seaton, third in high jump; Smith, second in high jump; Golden, fourth in high jump; White, fourth in 80 hurdles, and fourth in 110 hurdles; Ashby, second in 110 hurdles, Goodner, third in mile; Jankowski, fourth in mile; Smith, second in 220 yd. dash; and Seaton, fourth in 220 yd. dash. Rossville placed first with Bismarck coming in second.

At the E.C.C., the team ended up fourth with thirty-four points. The 440 yd. relay, mile relay, and the 880 yd. relay all placed second. The 880 medley relay placed fifth. Smith placed fifth in 200 yd. dash. Clark placed second and Arthion placed fifth in the 440 yd. dash. Gustafson placed fourth in the 880 yd. run. White placed second in 80 yd. hurdles and fifth in the 110 yd. hurdles. Goodner placed third in the mile. Ashby placed second in the discus and fifth in the shot put.

At the district meet the only event Bismarck placed in was a fifth in the 880 yd. relay.

The Commercial News published a girl's track honor roll. The mile relay was mentioned four times. The 880 yd. relay was mentioned once. Ashby was mentioned three times in the discus and once in the shot put.

The 1976 track season was considered a successful year, says Coach Winkler. This was achieved through efforts of seniors, Doug Hamilton in pole vault and Ted Golden in shot, with other surprising individuals such as Kevin Edwards, Mark Steinbaugh and Steve Rainwater. The team as a whole progressed throughout the year. With fourteen returning lettermen the team moved from seventh place to fifth place in the E.C.C. without the services of Mark Steinbaugh because of an injury early in the season. The many outstanding freshmen contributed a lot to our team. Coach Winkler says the outlook for next year is good with their goal set on the E.C.C. Mark Steinbaugh was voted most valuable track member, although the team had many valuable members. Coach Winkler would like to say Thanks to all for a very good year!

Bismarck opened the 1976 season with a double loss to Oakwood. Harold Hartmann drove in Bismarck's only run. In the second game the Comets shut out the Devils 5-0. Bismarck then journeyed to Chrisman where they were defeated by scores of 11-4 and 9-4. Richison collected four hits in the losing cause. Bismarck then defeated Ross-ville-Alvin in the opening game of their scheduled double header. To this point in the season Mark Richison has the only win on the pitching staff.

The 1976 golf season turned out to be a record breaking year. We broke every school record in existence. Many were broken more than once.

Our four man team record was broken four times during the season. On our last meet we became the first Bismarck team to break 180, shooting a 179.

The nine-hole individual record was tied three times by Kevin Edwards and once by Terry French.

Despite all our record breaking attempts our team record was 9-11. This was still our best school record ever. We played in two tournaments this year.

The county meet was our last meet of the year. We were favored to get fourth, but we came in third behind Westville and Catlin. We shot a school record breaking 372. Kevin Edwards became the first golfer from Bismarck to make All-County finishing fourth with an 87 also a school record.

The FFA had many summer activities. They attended the State FFA Convention for three days in June. In August, their Sheep Exhibitors won a trophy and in September, all the members and their families had a pig roast. Some of the members attended the National Convention in Kansas City. During February they had National FFA week when they elected Jennifer Cunningham Chapter Sweetheart to succeed Donna Blackford. Many of the members won various awards during the year, which made it a very good year for the Bismarck FFA Chapter.

Each year the faculty at Bismarck-Henning High School selects approximately 10 percent of the membership of the Junior Class who possess the four ideals of the society - character, scholarship, leadership, and service. At this time they also review the Senior Class and may elect new members or take off the honor society students who they feel no longer fulfill the ideals. In May of each year, on Honors Night, a special induction ceremony is held to welcome the new members to the society.

Speech-Drama Club began its second consolidated year with some experience behind it and some goals ahead of it. With the help of some very capable officers, these goals have become a reality.

Some hardy souls braved the stage right away by participating in the homecoming skits that featured a spoof of our bicentennial. Who can forget Mike Van Leer as the seductive Lady Godiva, Tom Creek as the adventuresome Paul Revere, Jim Hecker as the intrepid George Washington, or Karen Logan as the beautiful Southern belle?

We were off to the Drama Festival in January. This annual event was held in Champaign on the University of Illinois campus. While there we viewed the top five plays from Illinois high schools and participated in the many workshops.

After getting some pointers from the Drama Festival, we decided to venture into mime as our entry in children's theatre this year. After much rehearsal, we performed for the schools in our district, the woman's club in Bismarck, and two churches who saw us blend the mime with a reader's theatre from Rossville. Candy Massey played the piano while Laura Patterson and Lisa Sanders carried the signs. Those in mime were Toni Craig, Bill Butcher, Spring Milius, Beth Lane, Nancy Miller, Connie Seidler, and Anna Harrison. This troupe plans on being a permanent part of Speech-Drama Club.

February saw us at the district speech contest in Paxton, Ill. Those entered were B. Butcher, T. Craig, S. Hecher, A. Harrison, E. Leutzinger, S. Milius, C. Seidler, and N. Miller. We were all more confident since we had gone to the high school contest for small schools earlier in the year.

To round out the year, we also sponsored a Bicentennial Youth Debate which saw Mary Ann Potter and Nancy Miller go on to the District contest from our school. Also entered were P. Andrews, J. Murray, S. Johnson, L. Beckley, D. Cunningham, K. Tucker, D. Ingram, S. Herr, and R. Beck in the extemporaneous event and S. Smith, L. Story, T. Craig, and J. Hecker in the persuasive event.

SAE

The SAE has been a busy club again this year. To help the teachers with their work the club sponsored a student take-over day. The students taught classes and took the responsibility of the teaching material. For their money-making project the club sponsored a slave day. Cake raffles at the basketball games were also included as one of the projects. In the latter part of the year twelve students attended the SAE convention at Springfield. They had a most enjoyable time.

Twelve long years ago our class started our formal education. Most of us attended either Bismarck, Henning or Grange Hall during our first thru sixth grades. Our whole class came together when we began seventh grade. At the end of our seventh grade year we moved to the newly completed Junior High School. During our eighth grade year we began our careers as salesmen by selling magazines. With Junior High school behind us we were ready to enter the exciting world of high school.

As freshmen we elected Nancy White, Pres., David Winkler, Vice Pres., Jill Cunningham, Sec., Wayne Hitt, Treas., and Sandy Allison, Reporter. Our Student Council representatives were Doug Hamilton and Earlette Bleasdale,. Our float theme was "King Johnson and the Knights of the Gridiron. Our Homecoming queen attendant was Teresa Upperman. Kris Welsch was elected to the Pompette squad. To fill up our class treasury, we sold candy for a class project. As the year came to a close we were glad to have our "greenie" year over and anxious to begin our sophomore year.

We began our sophomore year by electing Tim Feezor, Pres., Linda Eades, Vice Pres., Nancy White, Sec., Wayne Hitt, Treas., and Brenda Hutchison, Reporter. Our Student Council representatives were Wayne Hitt, Tim Feezor, Nancy White, Debbie Ashby, and Teresa Upperman. Our Homecoming float was "Victory thru a Telescope" and it took third place. Kathy Mayberry was our Homecoming queen attendant. Kris Welsch was elected to the J.V. cheerleading squad. Mark Carter was chosen school mascot. We ordered class rings in the spring and most of us received our drivers license. As a money making project, we again sold magazines.

Better slip with foot than tongue

Our Junior year was a very hectic one. As officers we chose Jill Cunningham, Pres.; Nancy White, Vice Pres.; Deanna Perry, Sec.; and Wayne Hitt, Treas., Brenda Hutchison, Jeannie Nicholson, Jeff Murray, Carrie Miller, and Julie Drennan were our Student Council representatives. Jill Cunningham was elected Student Council secretary. Jeannie Nicholson was elected state treasurer for S.A.E. Carrie Miller and Kris Welsch were elected to the Varsity cheer-leading squad and Myra Hackl was elected to the Pompette squad. Our Homecoming float, "One Good Crunch Leads to Another," received second place. Brenda Hutchison was chosen as our Homecoming queen attendant. We sold concessions during the home basketball games to raise money. During the fall we sponsored our first all school activity - Sadie Hawkins. Julie Drennan was chosen Daisy Mae at Sadie Hawkins. Donna Blackford was chosen F.F.A. sweetheart. Ben Potter was named to the All County Wrestling team and Tim Feezor was named to the All Conference Cross Country team. During the spring all thoughts were turned toward Prom. We selected "Once Upon a Time" as a Prom theme. Dawn Turner and Wayne Hitt were Prom Queen and King and their court was Julie Drennan, Jill Cunningham, Carrie Miller, Brenda Hutchison, Tim Feezor, Doug Cunningham, Kevin Bodine and Doug Hamilton. Jill Cunningham, Jeannie Nicholson, Donna Blackford, Connie Meeker, Nancy White, Cindy Humphreys, Mary Ann Potter, Linda Eades, and Wayne Hitt were inducted into National Honor Society. With three years of high school under our belts we were ready to begin our final year.

As mighty seniors we elected as officers, Julie Drennan, Pres.; Donna Blackford, Vice Pres.; Jack Stumph, Treas.; and Connie Meeker, Sec. Student Council representatives were Donna Blackford, Brenda Hutchison, Deanna Perry and Kevin Bodine. Star Johnson was our varsity cheerleader and Darlene Brown was elected school mascot. Robin Beck and Rhonda Toby were chosen for the Pompette squad. Our Homecoming Queen was Brenda Hutchison and her court consisted of Carrie Miller, Nancy White, Julie Drennan and Dawn Turner. Our Homecoming float, "The Bobcats are Coming," took third place. Wayne Hitt and Mary Ann Potter received the SAR and DAR awards. Mary Ann Potter placed third in the BYD speech contest. Jill Cunningham was elected Student Council president. Randy Ellis was named to the All County Football team and Wayne Hitt was given the MVP award for football. Doug Hamilton was awarded for four years perfect football practice attendance. Jack Stumph and David Winkler were the football team co-captains. Tim Feezor was again named All Conference in Cross Country. Jack Stumph, Tim Feezor and David Winkler were named to the All County wrestling team. Tim Feezor, Ben Potter, and Jack Stumph received first in the District Wrestling meet.

Administrators

The Bicentennial year, 1976, stands as a milestone in our nation's history. The 1976 graduates of Bismarck-Henning High School have also reached a milestone. Let us hope and pray that our past experiences are but stepping stones for future rich and happy experiences for ourselves as individuals and our nation as a whole.

Memory Lane

In beginning our trip down Memory Lane of the many classes that have gone through the Bismarck and Henning High Schools, we are impressed by not only the number of graduates of the two schools but by the way all of the classes held the traditions and the spirit of the schools in the highest esteem. It is impossible, of course, to picture all of the many people who have attended our schools throughout the years and it is also impossible, because of lack of space, to list the many accomplishments that each person and each class contributed; however, we have attempted to give a brief glimpse of the way it was. We start our trip with five former teachers who gave over twenty years of their lives to teaching in our schools. All of them were instrumental in creating some extracurricular activity in addition to teaching in the classroom. For any graduate of our schools, the mention of their names will provoke many warm and pleasant memories.

a. MARY MESSNER

Mrs. Messner taught from 1933-57 at BHS. She was an English and Latin instructor. She sponsored the Buzzer from 1937-57, the Bluebook from 1944-57, the Junior and Senior Prom from 1948-57, was speech director from 1936-51 and coached the Junior Play from 1937-51. In addition she was librarian from 1948-57 and sponsored the Literary Club from 1948-57 and Latin Club 1939-57.

b. CLAYTON WILCOX

Mr. Wilcox was coach, mathematic and science teacher and principal at HHS for thirty years. He came to Henning in 1934 and became principal in 1943, remaining in that position until the consolidation when he became the first superintendent of Community Unit District No. 1. While at Henning he coached one or more sports in almost every year. In 1953 he helped organize a rifle club and acted coach of the rifle team. He still helps with our present BHHS team. The new gym was named in his honor the year he retired from teaching - 1972.

c. EARL PAYTON

Mr. Payton was the agriculture teacher at BHS from 1927-52. He started the Father and Son Banquet and made yearly trips with the boys to the International Stock Show in Chicago. Under his guidance many champion ribbons and chapter honors were awarded the Ag Department, as Bismarck usually participated in the State, Sectional, County and other fairs. He also founded the Bismarck Community Fair in 1928 and acted as business manager for the Bluebook for years. The football field is co-named in his honor.

d. HUGH MOSS

Mr. Moss Taught math, history and coached at BHS from 1932-67. Upon arriving, he formed the first track team and proceeded to build the first track. In 1937-43 track was discontinued as was his coaching, but in 1943 he again became coach and in 1946 he won the North Vermilion County Track Meet, beginning the twelve straight years of championships his teams won. In 1953 he began the Future Teachers of America (now known as SAE). He also helped form the debate teams and the American Town Meeting group. One member of the group, Margaret Bremer, was selected one of the ten best speakers in America. The football field, Payton-Moss Field, is named in his honor too.

c.

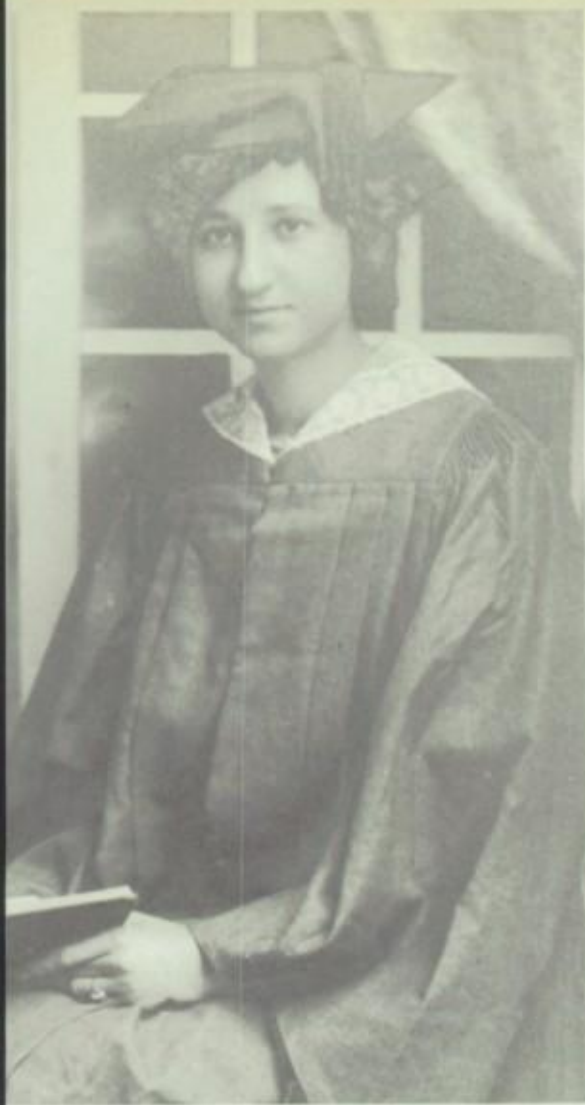

e. VIDA JENNINGS

Miss Jennings taught home economics at BHS from 1928-48. She sponsored the Butterfly Club (now called FHA-HERO) which planned the school's social activities. She had also Margaret Bremer who became national president from 1942-44 of Home Economics Students Club of America. She also sponsored the Junior and Senior Prom until her retirement.

Creditors have better memories than debtors

*Thank you
Ben!*

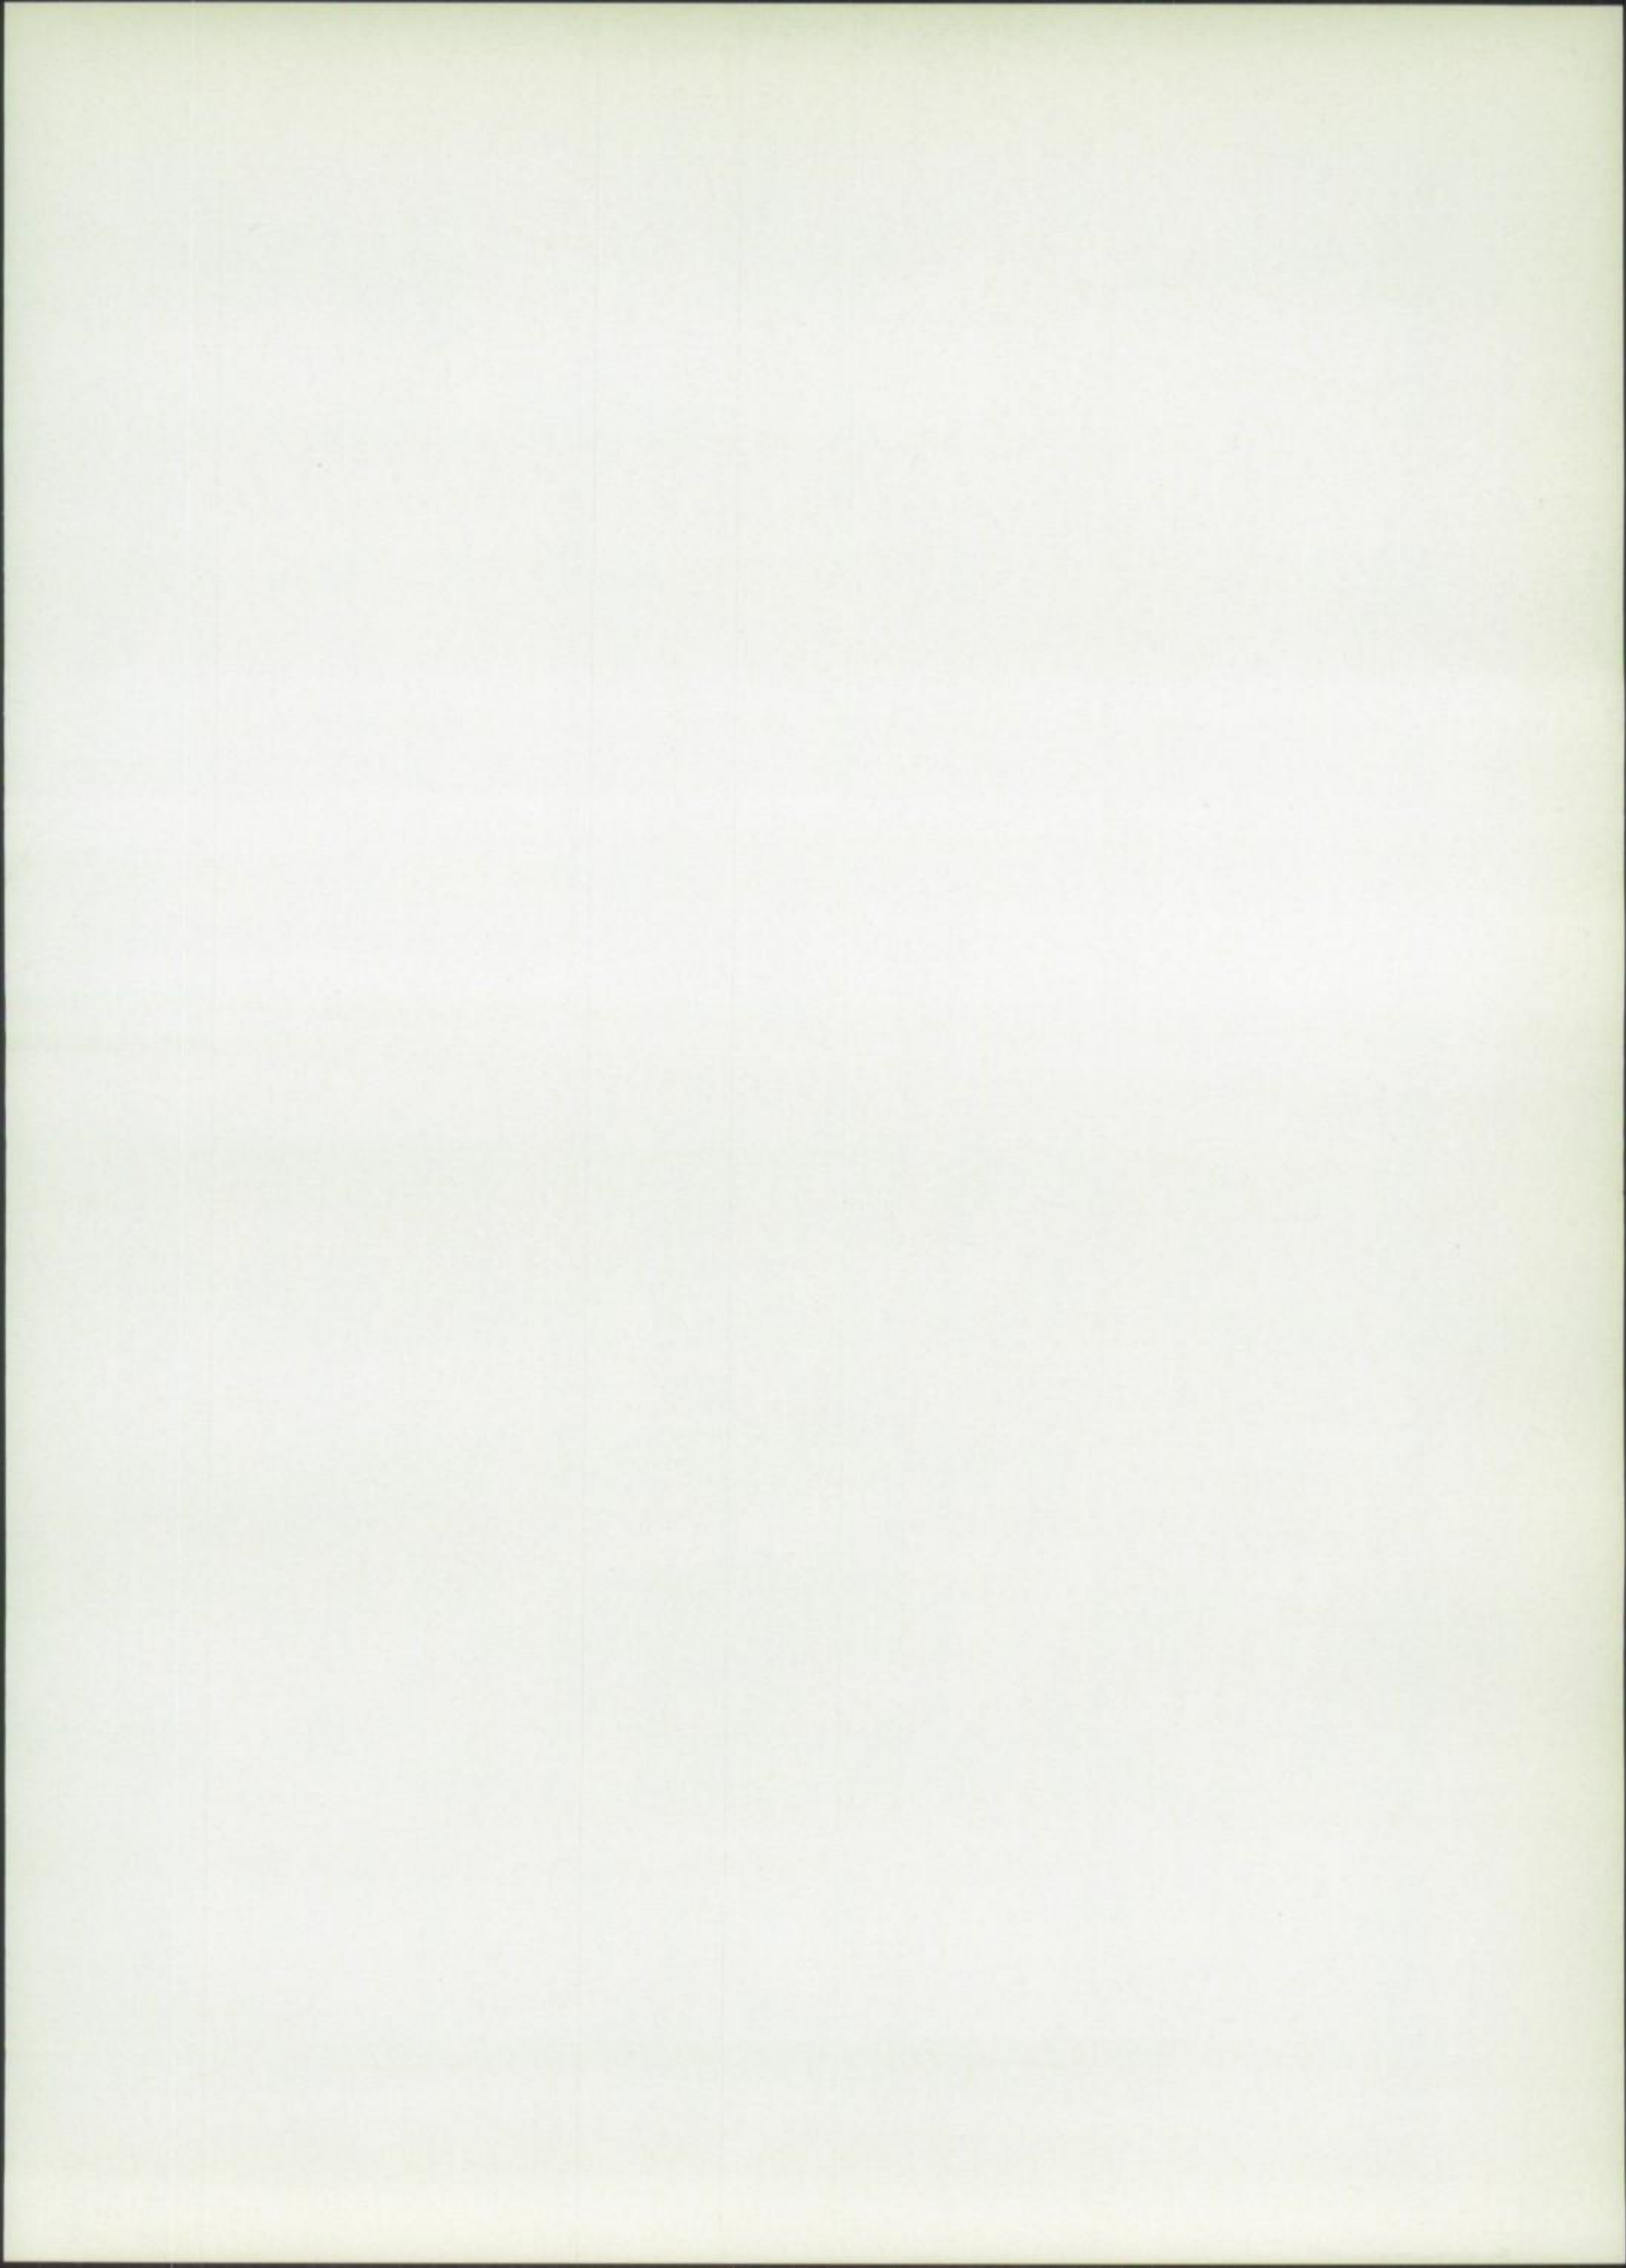

We have put time in a bottle
And the last thing we'd like to do
Is to save these days till eternity passes
And spend them again with you.

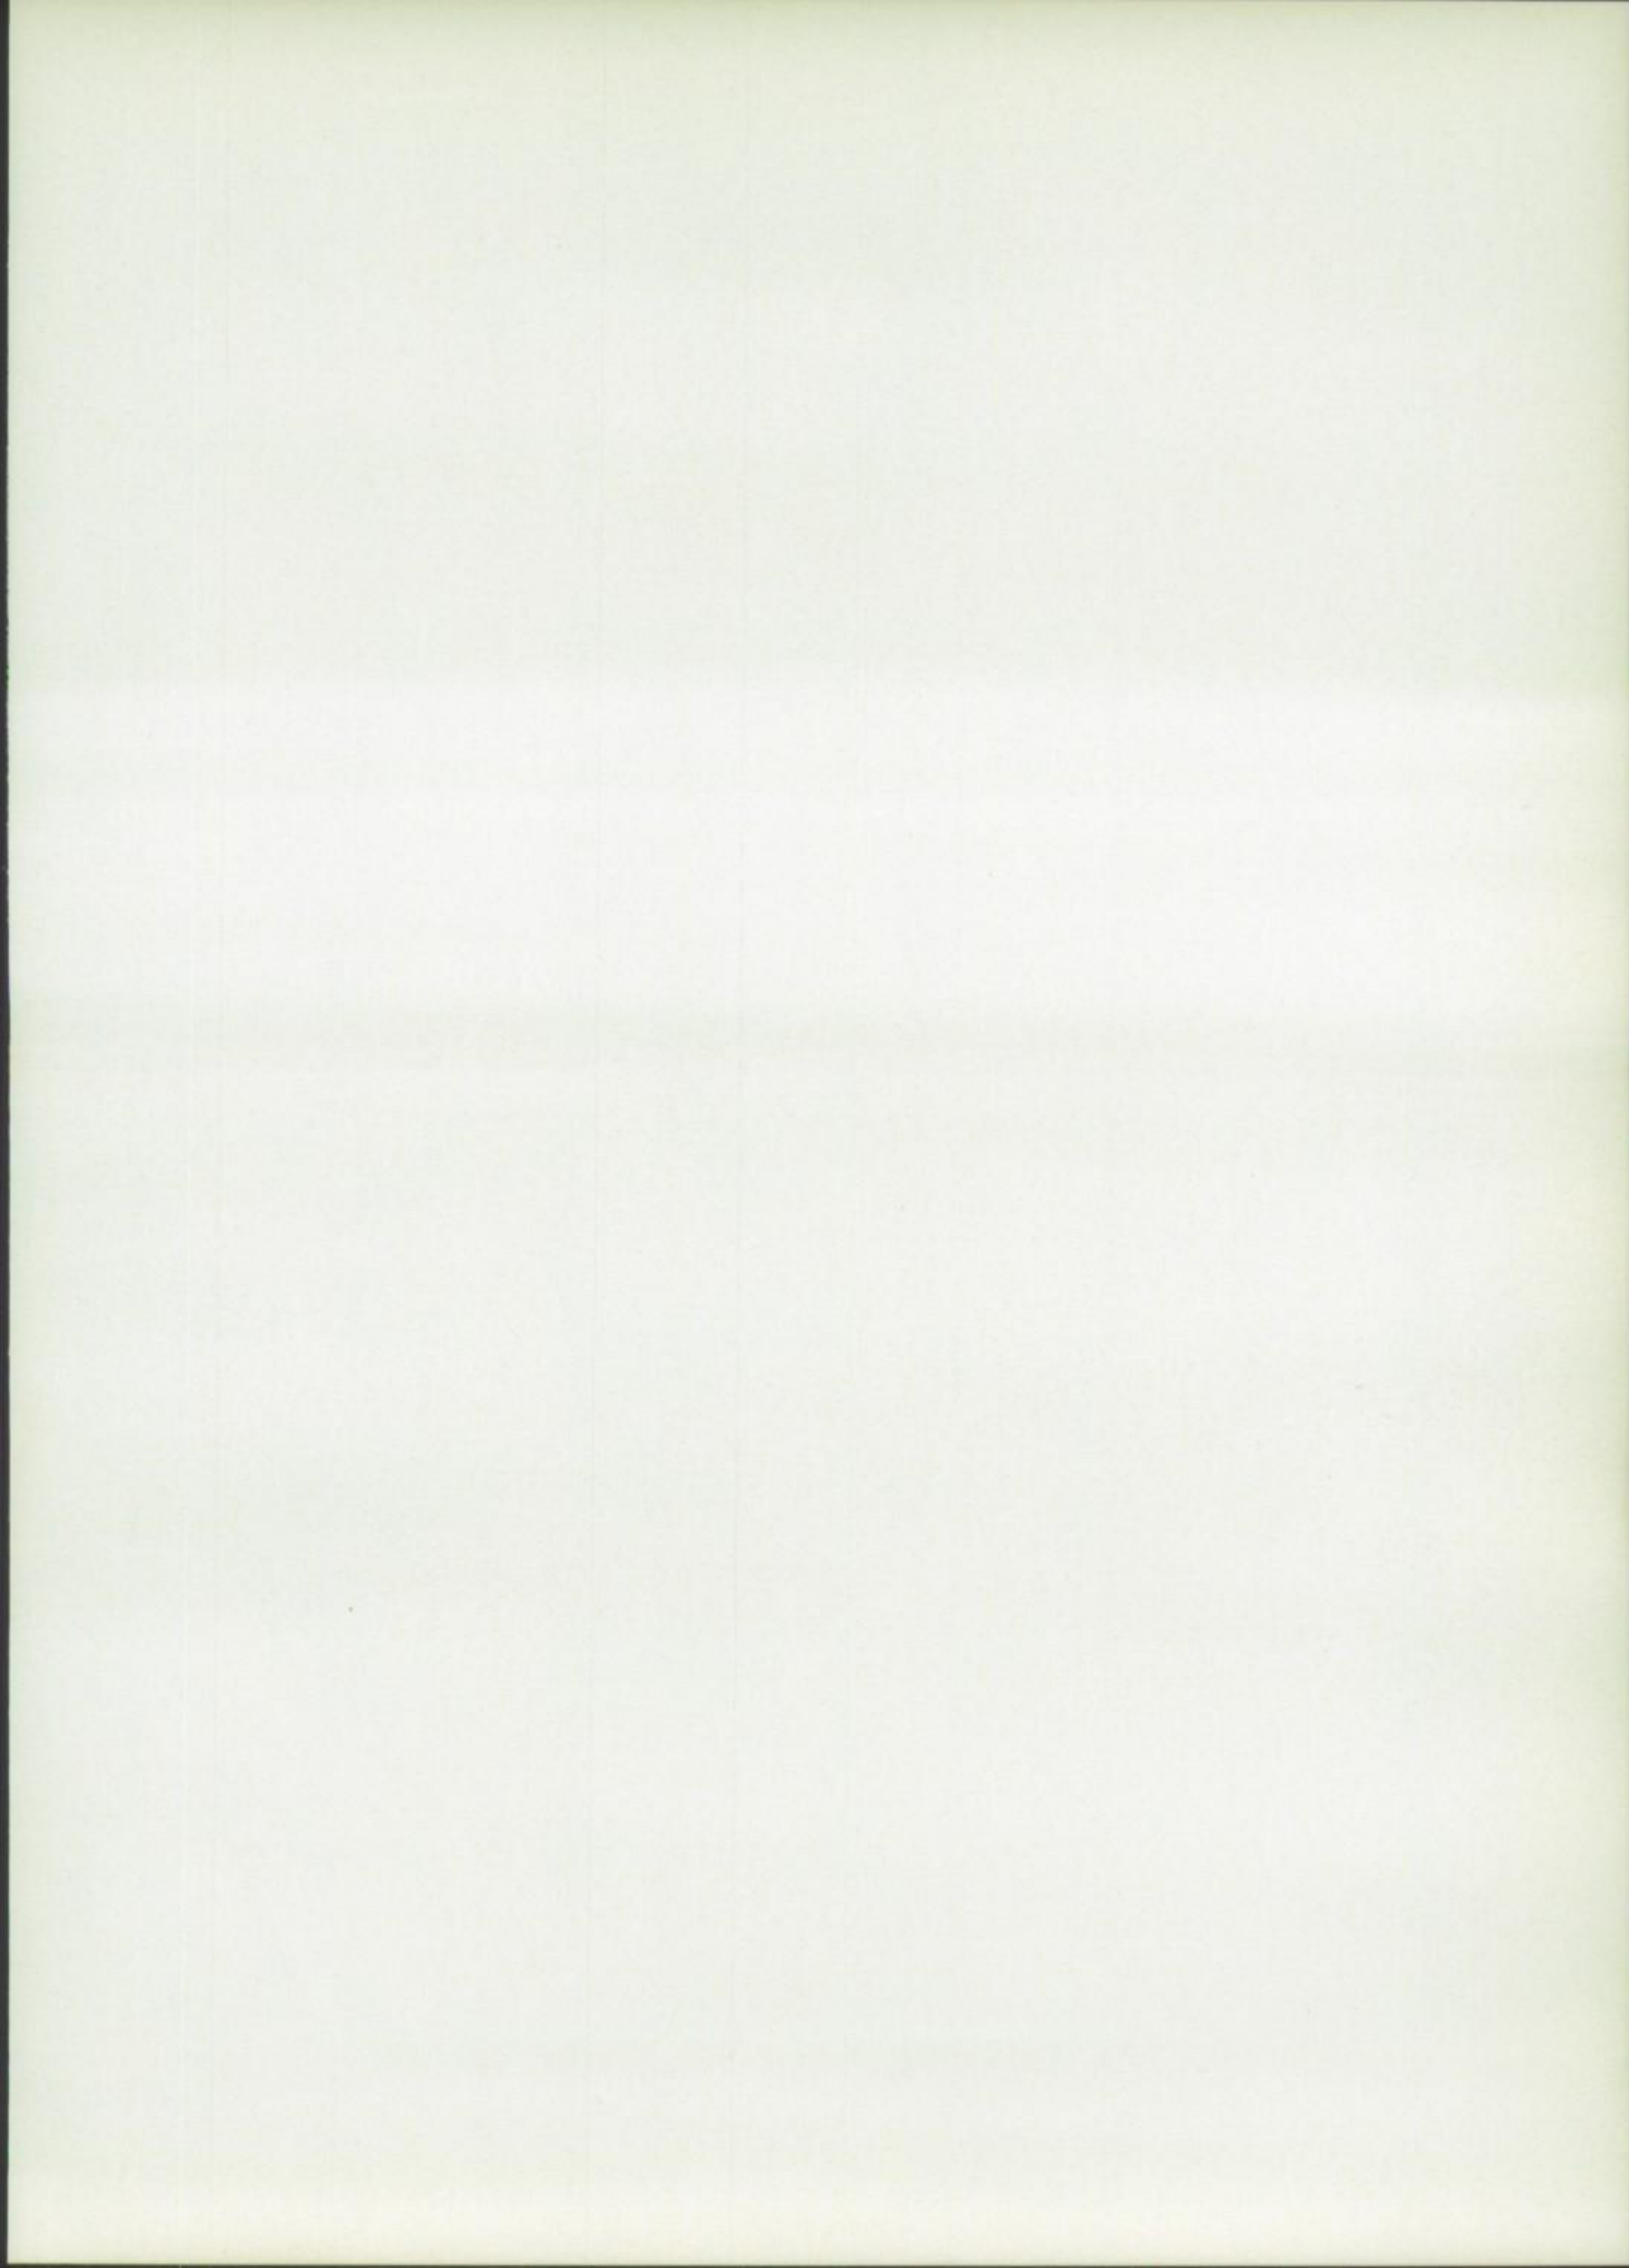

If we could make time last forever,
If words could make wishes come true,
We would save every day, like the treasures they
are
And we would spend them again with you.
